About Croma Campus

Croma Campus Training & Development Private Limited is an education platform providing rigorous industry-relevant programs designed and delivered in collaboration with world-class faculty, industry & Infrastructure. In the past 12 years we have trained 18000+ candidates and out of which we are able to place 12000+ professionals in various industries successfully.

Our Aim

Our aim is to provide the best-in-class training for freshers/working professionals to help them become experts in their domain. Furthermore, our unique training model (Classroom and Online) makes it easy for professionals to prepare for various certification examinations.

Our Vision

Our vision is to build an organization that provides quality IT training services to its clients across India at a nominal price.

Professional Certification Training

Multiple Delivery Models

We use various delivery models for giving training to our clients such as classroom training, online training, corporate training, and hybrid training.

Accredited by 40+ Global Bodies

Croma Campus is accredited by various global bodies as the best training institute and education provider. Furthermore, all our certifications are also industry-recognized.

Global Delivery Capability

We follow a very unique global delivery model for giving training to our global clients. Our delivery model empowers us to give quality training to our global clients and students without any difficulty.
