Certified Scrum Product Owner (CSPO)

Training Curriculum

✓ Scrum Basics

- Understand the Scrum Flow, the core components of the Scrum framework, and the Scrum vocabulary
- Understand the principles/legs of empirical process control
- Understand the work culture Scrum creates

✓ Roles & Responsibilities

- Understand the scope of the Product Owner, ScrumMaster and the team role in detail
- Understand why there is no project manager and no agile product manager

✓ Product Vision

- Understand the importance of having the product vision as an overarching goal galvanizing the entire Scrum team
- Understand the desirable qualities of the vision and how it can be shaped
- Understand the importance of carrying out just enough prep work
- Understand the relationship between vision and product roadmap

✓ Estimating

- Understand the different estimation levels in Scrum
- Understand that the accuracy of an estimate is more important than the precision of the estimate
- Understand that estimates of size and duration can be done separately
- Understand the impact of pressuring team members to provide low estimates
- Understand the difference between estimating and committing

✓ Product Backlog

- Understand what the product backlog is, and what it is not
- Understand product backlog grooming

✓ Prioritizing

- Understand the importance and benefits of prioritizing the product backlog
- Understand the implications of saying everything is mandatory
- Understand who should have input into prioritization decisions
- Understand that proper prioritization of a product backlog is based on multiple factors

- Understand and know how to apply formal approaches to prioritizing (i.e. beyond just 'gut feel' or intuition)
- Understand how much latitude to give a team in adjusting the sequence of work

✓ **Release Management**

- Understand the goals and how-to of release planning
- Understand that planning is adaptive, iterative and collaborative
- Understand why quality is frozen and the concept of technical debt
- Understand why software should be released early and frequently
- Understand and measure velocity
- Understand release burn down charts
- Understand how a release plan can help predict the future

✓ **Sprints**

- Understand the product owner's role in Scrum meetings, and how the Product Owner and Team collaborate
- Understand why sprints are time boxed and protected
- Understand the concept of sustainable pace
- Understand team commitment

Croma Campus! Reviews

“The most rewarding part of my experience has been achieving a prestigious certification in the subject that I love. Moreover, the training offered out by the specialists are of world-class and prepares out the students for corporate world. For me Croma Campus means a lot.”

“*By The Students For The Students,*”

Your Success Is **Our Story**

Bharat

“ I am fully satisfied with the excellent training services received by the expert staff at Croma Campus. I want to thank Croma Campus for providing me with the most innovative and affordable training services for learning all the software testing procedures and guidelines. ”

Ankit

“ It was a lifetime experience for me to get trained by IT Experts of Croma Campus. What I liked most about the training was the consistent high-quality education, which was friendly and co-active. The placement department was also proactive, they keep me updated regarding new job opportunities and provide the grooming session to crack the interview. At last, I would like to thank all faculty members of Croma Campus for their immense help and support. ”

Nitesh

“ Without any second thought, I will give Croma Campus 10/10. Their placement department is highly proactive. I remember they started scheduling interviews for me from the very next day when I told them my course has been completed. These people are doing a phenomenal job and I highly recommend Croma Campus to everyone. ”

Shams Khan

“ Croma Campus is doing a phenomenal job in the IT training industry. The reason why I decided to join their training program was that they provide quality training at very a nominal price. Plus, the online training mode was also a factor due to which I decided to join the training program of Croma Campus as I didn't want to attend physical classes. ”

Meet Our Team

Sales Team

Our Sales team is highly passionate, emphatic, positive attitude, great listening skills, ability to deliver quick solutions, and they are multitasker too. Our team always remains up-to-date about all the latest technologies and market trends. With effective communication skills, they always work to deliver the right information to customers when it is needed.
